Holland RIASEC Types/Work Groups<sup>2</sup> and  
U.S. Department of Education's 16 Career Clusters (in blue)**

<sup>1</sup> This map is based on a model from the Oklahoma Career Information System. This version does not imply their endorsement.

<sup>2</sup> "Work Groups" are groups of occupations based on the traits of the workers – interests, aptitudes, temperament, skills and ability. They were originally developed by the U.S. Department of Labor. More information: [www.careerkey.org](http://www.careerkey.org) 2010 © Career Key, Inc.
