Student's First & Last Name who is giving feedback as the REVIEWER for this project:

Getting Started with Scratch Rubric Checklist:					
<i>All items NOT from Scratch library MUST be cited in your "Notes & Credits" section of project page</i>					
Minimum Criteria for Proficiency:	Exemplary = A	Proficient = B	Developing = C	Beginning = D	Totals
2 Backdrops used with a well-coordinated change during the program. <i>(20 pts. maximum)</i>	3 or more well-coordinated background changes (18-20 pts.)	2 backdrops used that change during program (16-17 pts.)	1 well-coordinated background used in program (14-15 pts.)	Only the white default backdrop is used (5-13 pts.)	
3 sprites used in project <i>(10 points maximum)</i>	4 or more sprites in project (9-10 pts.)	3 sprites in project (8 pts.)	2 sprites in project (7 pts.)	1 sprite in project (3-6 pts.)	
2 costume changes (using coding blocks from "Looks" category) <i>(20 points maximum)</i>	3 or more well-coordinated costume changes (18-20 pts.)	2 well-coordinated costume changes (16-17 pts.)	1 costume change that is well coordinated (14-15 pts.)	1 costume change that is not well-coordinated (5-13 pts.)	
ALL sprites must be animated in some way (using MOVE/LOOKS & CONTROL blocks) <i>(20 points maximum)</i>	ALL sprites animated (18-20 pts.)	Most sprites animated (16-17 pts.)	Some sprites animated (14-15 pts.)	Few if any sprites are animated (5-13 pts.)	
1 audio/sound used <i>(20 points maximum)</i>	2 or more audio sounds that are well-coordinated & are cited appropriately (18-20 pts.)	1 audio sound that is well-coordinated & is cited (16-17 pts.)	1 audio sound that flows well in project but is not cited as appropriate (14-15 pts.)	1 or no audio sound that does not flow well & is not cited as appropriate (5-13 pts.)	
Clear instructions for users & appropriate citations for anything used from outside of the Scratch libraries <i>(10 points maximum)</i>	Clear & Detailed step-by-step instructions for users and appropriate citations for each element that is not from Scratch libraries (9-10 pts.)	Clear instructions for users and appropriate citations for most elements that are not from Scratch libraries (8 pts.)	Directions for users are unclear and many citations are missing (7 pts.)	No user directions and few if any citations are present (3-6 pts.)	
Total Points (based on 100 Points maximum)
